CLERGY RETREATS AT MARYGROVE FOR 2004

First Retreat: September 20-23 – to be conducted by Father William Ibach, S.J.

Second Retreat: October 25-28 - to be conducted by Father Michael Hinkley

Further details will be forthcoming at a later date.

EXCERPTS FROM THE INSTRUCTION OF THE CONGREGATION FOR THE CLERGY, “THE PRIEST, PASTOR AND LEADER OF THE PARISH COMMUNITY”

August 4, 2002

Concerning the ordinary means of sanctification, Canon 528 stipulates that the parish priest is to give particular care to ensure that the Most Holy Eucharist is the centre of the parochial community and that the faithful come to the fullness of Christian life by a conscious and active participation in the Sacred Liturgy, by the celebration of the sacraments, by the practice of prayer and by good works.

It is notable that the Code makes specific mention of frequent reception of the Holy Eucharist and of the Sacrament of Penance. This would indicate that the parish priest, in establishing the times for Masses and confessions in his parish, would take into consideration those times which are convenient for the majority of the faithful, while bearing in mind also the need to facilitate those who have difficulty in easily attending the celebration of the sacraments. The parish priest should devote special attention to individual confession, understood in the spirit and form established by the Church. He should be mindful that confession must precede first Holy Communion. Moreover, the individual confessions of the faithful, for pastoral reasons and for the convenience of the faithful, may also be received during the celebration of the Holy Mass.

Care should be taken to ensure respect “for the sensibilities of the penitent concerning the manner in which he wishes to confess, either face to face, or from behind a grill.” The confessor may also have pastoral reasons for preferring the use of a confessional equipped with a grill.

The practice of visiting the Blessed Sacrament should be strongly encouraged. To this end, churches should be kept open for as long as possible, and their opening times fixed and established. Many parish priests promote the laudable practice of adoration of the Blessed Sacrament through solemn exposition and can attest to its fruits in the vitality of their parishes.

The Blessed Sacrament is to be lovingly reserved in a tabernacle “which is the spiritual heart of every religious and parochial community.” Without the cult of the Eucharist, as with a beating heart, a parish becomes arid.” “If you wish the faithful to pray willingly and piously – as Pius XII reminded the clergy of Rome – set an example for them by praying in your churches before them. A priest on his knees before the tabernacle, with a proper disposition and in deep recollection is a model of edification for the people, a reminder of, and an invitation to, prayerful emulation.”

OFFICE OF THE CHANCELLOR

Reverend Alex K. Sample

MASS OFFERING ACCOUNT IS NOW IN “CRISIS”:

As you know on January 8, 2004, I sent an *Urgent Memo* to all pastors, pastoral coordinators and senior priests advising them of the current status of the Mass Offering pool. At that time I asked for donations to the pool from the parishes that had surplus Mass Offerings. In response to the memo, Mass Offerings totaling \$2900 were sent to the diocesan pool (290 Masses).

The number of requests from our senior priests for Mass Offerings continues to grow on a monthly basis. Since the beginning of 2003 I have been forced to lower the amount of each monthly request for Mass Offerings from \$300, to \$250, then to \$200. Because the account is so very low at the present time, I am forced once again, to lower each request to **\$100 per month**. Even at the rate of \$100 per month per request, the account will be depleted in the not too distant future if we do not receive more donations to the fund from the parishes. This could happen in the next 5-6 months.

As I have said in the past, our senior priests rely on these offerings to help supplement their retirement income. Imagine the impact on these men of losing \$200 a month in income.

Thank you to all the parishes and missions that have responded to my increasingly urgent appeals! **If there are still parishes or missions that have more Mass offerings than they can celebrate in a year, please send the excess offerings to the Chancellor (Fr. Sample) for distribution to our senior priests.** I take this opportunity to remind the pastors and pastoral coordinators once again that this is the universal and diocesan law on this matter.

MONITUS:

The following are recent advisories we have received from the USCCB concerning these individuals and groups:

The **Orthodox Mother of God Church Derjavnaja** is involved in promoting Marian devotion and may have contact with Catholic groups. It is not a *bone fide* Church in the eyes of the Catholic Church, and is of questionable origin.

Fr. Fernando Cristancho of the Diocese of Istmia-Tado, Columbia was serving in the Archdiocese of Baltimore. His faculties have been revoked.

Fr. Petar Jelinic is a priest of the Byzantine Catholic Church. He is not considered suitable for service.

If you have contact with any of these groups or individuals and need more information, please contact Fr. Alex Sample at the Chancery Office (227-9111 or the WATS line, Ext. 111).

COLLECTION FOR THE CATHOLIC COMMUNICATION CAMPAIGN AND THE HOLY LAND – GOOD FRIDAY, APRIL 9, 2004

MOVIES, SCRIPTURE AND MEDIA LITERACY

Several parishes throughout the diocese have convened groups of parishioners to discuss "The Passion of the Christ," after viewing the movie. In light of this, you may be interested to know that resources are available to hold movie discussion groups in your parish any time you wish. The Daughters of St. Paul offer reflections they call "Lights, Camera...Faith!" on their website, www.pauline.org. These reflections on the readings of the Liturgy of the Word for Sunday take the story found in a popular movie and create a dialogue between the movie and the Gospel reading of that Sunday. This can be a powerful and interesting way to bring the Gospel story alive in our times. Each Sunday a new movie and Gospel reflection is posted on the website. These reflections are taken from the series of books called "Lights, Camera...Faith! A Movie Lover's Guide to Scripture." The series, which covers the three Scripture cycles, is on

order and will soon be in the Department of Faith Formation and Education's lending library.

The fund is a permanent endowment and will provide annual grants for our diocese forever.

FR. GEORGE KALLARACKAL AND IMMIGRATION PROBLEMS:

As most are aware, Fr. George Kallarackal had some recent and serious problems with immigration (U.S. Customs and Border Protection), which resulted in his not being allowed to re-enter the United States upon his return from a vacation to India. The CBP officials in Detroit sent him back to India.

There are all sorts of rumors circulating as to what transpired, and it is important to set the record straight.

The mistake that was made which resulted in Fr. George not being allowed re-entry to the United States was neither the Diocese of Marquette's nor Fr. George's. Our immigration law attorney has indicated to us that it was a mistake made by the CBP officials who detained Fr. George in Detroit. They made a serious error in assessing Fr. George's immigration status and his ability to travel outside the United States at this time. It is a very complicated immigration matter that cannot be fully detailed here.

The Diocese of Marquette became aware of the problem that Fr. George was having at about 2:00 p.m. on the day of his return to the United States, and by 4:30 p.m. they had him on a plane back to India. In speaking with the CBP officers in Detroit by phone, diocesan officials pleaded with them to give us time to straighten this out, and that there must be something we could do. Diocesan officials immediately contacted Congressman Stupak's office, and they immediately became involved in trying to sort out the matter, contacting the Detroit Port of Entry officials. At the same time, the Diocese also engaged our immigration law attorney who became immediately involved as well. Unfortunately, the Detroit CBP officials did not give us time to straighten the matter out.

At this time we continue to pursue the matter through Congressman Stupak's office and through our attorney. It appears, however, that this matter will not be resolved quickly or easily, as we had initially hoped. Please keep Fr. George and this matter in your prayers.

DEATH NOTICE:

It is with sadness that we inform you of the recent death of William F. McGee, a former active priest of the Diocese of Marquette. He was tragically killed in a cycling accident in California. Please keep him in your prayers. Requiescat in pace!

We pray to the Lord:

March 14th THIRD SUNDAY OF LENT

For doctors and nurses who perform abortions:
that this Lenten season may inspire within them a
burning love for all life, even the smallest and hardest to see;
We pray to the Lord:

March 21st FOURTH SUNDAY OF LENT

For those whom we have chosen to govern us:
that our president, our governor, and our legislators
may speak only the truth and preserve the rights
of every human being from conception to natural death;
We pray to the Lord:

March 28th FIFTH SUNDAY OF LENT

For the youngest of mothers and fathers:
that God might teach us how to love and support them
to do the very best thing for their newborn children:
We pray to the Lord:

Let us highlight one of the most influential Christian values in the simplicity and poverty of Bethlehem, *God gave back dignity to every human being's existence.* He offered to all people the possibility to participate in his same divine life. May this immeasurable gift always find hearts ready to receive it!

-Pope John Paul II (Christmas Mass with Roman University Students, 2003)

Addendum #2

**BULLETIN BRIEFS
MARCH 2004**

The responsibility to defend human life in all its stages falls upon all Catholic citizens. It falls, with particular weight, upon Catholic politicians.

- Most Rev. Raymond Burke, Archbishop of St. Louis (formerly Bishop of La Crosse), A Pastoral Letter: On the Dignity of Human Life and Civic Responsibility, November 23, 2003

As Americans, we are led by the power of our conscience and the history of our country to defend and promote the dignity and rights of all people. Each person, however frail or defenseless, has a place and a purpose in this world.

-President George W. Bush, Proclamation of National Sanctity of Human Life Day, January 18, 2004

Concern for the plight of the poor must be accompanied by a profound respect for the dignity of all human life. Otherwise, it can be corrupted and all too easily embrace procured abortion and euthanasia as acts of compassion toward the suffering. But it is a false compassion, which seeks to lessen human suffering by eliminating those who suffer. When we allow the killing of those most in need, we do not love the poor as Jesus did, who gave His life as a ransom for many.

-Most Rev. Raymond Burke, Archbishop of St. Louis (formerly Bishop of La Crosse), A Pastoral Letter: On the dignity of Human Life and Civic Responsibility, November 23, 2003

Human rights are not a privilege conferred by government. They are every human being's entitlement by virtue of his humanity. The right to life does not depend, and must not be contingent, on the pleasure of anyone else, not even a parent or sovereign.

-Blessed Mother Teresa of Calcutta, letter to the U.S. Supreme Court on Roe v. Wade decision, February 1994

Addendum #3

**INTERCESSIONS FOR LIFE
APRIL 2004**

April 4th PALM SUNDAY OF THE LORD'S PASSION

For those who are about to die this day,
and especially for those who are alone or afraid:
that our prayers may ease their agony
and strengthen their faith;
We pray to the Lord:

April 11th EASTER SUNDAY: THE RESURRECTION OF THE LORD

For a love for life,
from conception to natural death:
that all Catholics might work for an end to abortion,
and for the right to life of every human being;
We pray to the Lord:

April 18th SECOND SUNDAY OF EASTER

For the grace of the mercy of God:
that all who contribute to the culture of death
might turn away from sin and embrace the Gospel of Life;
We pray to the Lord:

April 25th THIRD SUNDAY OF EASTER

For all who have been killed in the culture of death:
that God might raise them up on the last day
to enjoy the fellowship of the saints
in the Kingdom of Heaven;
We pray to the Lord:

How can one not think of the family as the primary focus to realize the civilization of love? The family represents the human realm in which the person, from the beginning of his existence, can experience the warmth of affection and grow in a harmonious way.

- John Paul II, January 15, 2004

Addendum #4

**BULLETIN BRIEFS
APRIL 2004**

Adoption is the circle of life. It is people coming together and giving what is best for the life of a child.

- Amy Zajac, director of adoption for Catholic Charities of Fairfield County, "Adoption is the 'ultimate gift of love'", printed in Fairfield County Catholic, December 2003

Life is a gift that God has given us. That life is present even in the unborn. A human hand should never end a life. I am convinced that the screams of the children whose lives have been terminated before their birth reach God's ears.

- Blessed Mother Teresa of Calcutta

Whether we are citizens or politicians, whatever be our state in life, we all have the responsibility to work for a society which safeguards and promotes the dignity of human life. We must recognize that the building of a culture of life begins in the home, in our families. It begins with a true understanding of the conjugal union and its ordering to the gift of children (cf. Catechism of the Catholic Church, n. 2366).

- Most Rev. Raymond Burke, Archbishop of St. Louis (formerly Bishop of La Crosse), A Pastoral Letter: On the Dignity of Human Life and Civic Responsibility, November 23, 2003

We need courage and honesty to speak the truth about human life. We need humility to listen to both friend and opponent. We need perseverance to continue the struggle for the protection of human life. We need prudence to know when and how to act in the public arena.

- Archbishop Alfred Hughes, Bishop of New Orleans, column printed in Clarion Herald, Jan. 14, 2004
