- very angry
- place falling aside tho he felt he knew answers
- = Phil became a friend, but just became angry when he couldn't.
- = Long Island - under impression that he was going to take it over - whole island.
- so angry about that I
- = then wanted to get back in youth movement - but not available
- felt he wasn't heard
- so he went into a real funk
- so I suggested he see someone from H of Aff.
- . still has been down to respond to need of kids.
