

Rev. James Foley '60.

And. St. Bartholomew's, Needham.

Mr. Foley came to the Chairman to request a change of assignment for personal reasons, for the good of his priesthood. He did this on the advice of his confessor. - The request has no connection with his present fellow-curates or pastor.

He would appreciate this transfer outside the general area of Needham as soon as possible. - His home is in Beverly.

Francis J. Weston
