

## The Legion of Christ and the Regnum Christi Movement in response to the communiqué of the Holy See renew their commitment to serve the Church

In reference to the news regarding the conclusion of the investigation of the accusations made against Fr. Marcial Maciel, our beloved father founder, the Congregation of the Legionaries of Christ offer the following statement:

1. Fr. Marcial Maciel has received during his life a great number of accusations. In the last few years, some of these were presented to the Holy See so that a canonical process would be opened.
2. Facing the accusations made against him, he declared his innocence and, following the example of Jesus Christ, decided not to defend himself in any way.
3. Considering his advanced age and his frail health, the Holy See has decided not to begin a canonical process but to "invite him to a reserved life of prayer and penance, renouncing to any public ministry".
4. Fr. Maciel, with the spirit of obedience to the Church that has always characterized him, he has accepted this communiqué with faith, complete serenity and tranquility of conscience, knowing that it is a new cross that God, the Father of Mercy, has allowed him to suffer and that will obtain many graces for the Legion of Christ and the Regnum Christi Movement.
5. The Legionaries of Christ and the members of the Regnum Christi, following the example of Fr. Maciel and united to him, accept and will accept always the directives of the Holy See with profound spirit of obedience and faith. We renew our commitment to work with great intensity to live our charism of charity and extend the Kingdom of Christ serving the Church.
